Although it is easy to answer it from intuitive thinking, this question includes topics that have been removed from the AZ-900 and are now part of the AI-900 and DP-900.

Even if some of the answers were wrong and a lot of 100% of the questions came up, I used this site to revise for a week. The comments were quite helpful. I strongly suggest paying close attention to the comments in each answer! I got 895.
